

CV - Full Stack Developer

As a Full Stack Developer, I offer a range of skills and experience that make me a valuable asset to any team. With a passion for coding and a dedication to learning new technologies, I am confident that I can bring a fresh perspective to any project.

Education

I hold a Bachelor's degree in Computer Science from {Name of University} where I gained a solid foundation in programming languages such as Java, Python, and C++. Additionally, I have completed courses in web development, database management, and software engineering.

Technical Skills

- Programming Languages: Java, Python, C++, JavaScript
- Front-End: HTML, CSS, React, Angular
- Back-End: Node.js, Express.js, Flask, Django
- Databases: MySQL, PostgreSQL, MongoDB
- Other Tools: Git, AWS, Docker, Jenkins

Work Experience

Full Stack Developer at {Name of Company} (2018-2021)

- Developed and maintained web applications using React, Node.js, and MongoDB
- Collaborated with cross-functional teams to ensure that projects were delivered on time and within budget
- Designed and implemented RESTful APIs and optimized database queries
- Created automated testing scripts using Jest and Enzyme

Software Engineer at {Name of Company} (2016-2018)

- Worked on a variety of projects using Java, Python, and C++
- Designed and implemented data models for relational and non-relational databases
- Collaborated with QA teams to ensure that software was delivered with minimal defects
- Conducted code reviews and mentored junior developers

Certifications

- AWS Certified Solutions Architect - Associate
- MongoDB Certified Developer - Associate

Personal Projects

- Created a full-stack e-commerce website using React, Node.js, and MongoDB
- Developed a chatbot using natural language processing and machine learning

Conclusion

As a Full Stack Developer, I have the technical skills and experience needed to tackle any project. I am a quick learner and am always looking for ways to improve my abilities. If you are looking for a dedicated and skilled Full Stack Developer, please feel free to contact me.
